Welcome to our practice and thank you for choosing Vein Specialists of the Carolinas for your comprehensive vein care!

We are committed to providing our patients with state of the art venous care in a comfortable and friendly environment.

The information contained is intended to assist you and to save you time during your visit with us. Please plan to spend about an hour and a half with us for your first visit. It is our goal to conduct a comprehensive review of your medical complaint in order to determine the proper treatment for you at this initial consultation. It is our desire for you to leave our office with a full understanding of your treatment options and with all questions answered.

After we finish gathering all pertinent information I will review with you all findings and establish your treatment plan. I will discuss all treatments in detail, including benefits, risks, and alternatives. I will do my best to answer any questions you may have.

Once we have determined the best treatment plan, my staff will assist you with any appointment and treatment scheduling needs and attempt to answer any insurance question you may have.

We request that you fill out the enclosed forms and bring them with you in order to expedite the time you spend with us.

**We also request that you bring a pair of loose fitting shorts to change into for your visit and to arrive 20 minutes early to complete any additional paperwork. In addition please bring your insurance cards and a photo ID with you.**

Our Patient Service Coordinator is at your disposal to make your visit pleasant and effective.

The staff and I are committed to serving you in a courteous and professional manner.

Thank you for selecting us.

David G. Draughn, M.D., FACS
